

If you have "Manager," "Lead," or "Director" in your title...or if you're the one everyone turns to when things get tough, this conference is built for you.

Whether you are struggling with high turnover, curious about how A.I. can save you time, or just need a fresh perspective on local economics, we are bringing the experts to Pendleton so you don't have to go find them.

Eastern Oregon Employer Conference 2026

April 15th & 16th Pendleton Convention Center

Who should be in the room?

- HR Professionals & Recruiters: Get the latest on rural hiring pipelines and earn SHRM credits.
- Small Business Owners: Find the state resources and economic data you need to grow.
- Managers & Team Leads: Level up your leadership, AI, and employee wellbeing skills.
- Operations & Tech Leads: Stay ahead of the curve with sessions on cybersecurity and digital tools.
- Educators & CTE Advocates: Bridge the gap between the classroom and the local workforce.
