

348 W. Adams, Burns, Oregon Phone (541) 573-8376 Fax (541) 573-8378

Dear Community Partner,

We are pleased to invite you to participate in our Annual Community Resource Day on Saturday, August 22, 2026, from 12:00 p.m. to 2:00 p.m. at Hines Park.

This year, Community Resource Day will be held in conjunction with the Annual CASA Cool Down, creating an even larger community event. By combining our efforts, we hope to increase participation, provide more activities for individuals and families of all ages, and maximize opportunities for community organizations to connect with residents.

Community Resource Day brings together local organizations, agencies, and community partners to share valuable information, services, and resources with children, families, older adults, and individuals who may face barriers to accessing community support.

Event highlights include:

- Informational booths hosted by community organizations and service providers.
- Opportunities for residents to learn about, connect with, and enroll in available services.
- Family-friendly activities to keep children engaged while adults visit resource booths.
- A complimentary lunch featuring hamburgers and hot dogs.
- A post-event survey with prize drawings to gather community feedback and help improve future events.

Your organization's participation would make a meaningful difference by helping community members learn about available services and connect with valuable resources. The event also provides an excellent opportunity to build relationships with other local agencies and strengthen collaboration across our community.

We invite you to reserve a booth and share your services with attendees. If you are unable to host a booth, you can still support the event by donating a prize drawing item or contributing to the community lunch.

To reserve a booth or request additional information, please contact me at 541-573-3647.

Thank you for considering the opportunity to partner with us in supporting and strengthening our community. We hope to see you on August 22!

Warm regards,

Bettina Bowman, CSWA, QMHP, CHW
